

AMTA 2026 Achievement Day

Dear Parent(s) of: _____

The Aurora Music Teachers Association invites you to enjoy the activities of the AMTA
2010 Achievement Day on Saturday, November 14, 2026 at

LDS Dorado Church, 21750 E. Dorado Ave, Aurora, CO 80015

Achievement Day recognizes the music achievement of students while providing a sense of accomplishment in a non-competitive environment. Students play two songs for a teacher - listener who ascertains that the student has met the requirements for their chosen level. In addition to these songs, students complete a minimum of two optional activities which might include a theory test, sight reading, art projects, composition, etc.

A Colorado State Music Teachers Association sanctioned certificate is awarded
for each student who achieves their intended level.

While attending Achievement Day, students also have the opportunity to perform in a recital, participate in the music jeopardy game, enjoy the display of artwork and other projects, and observe the master class offered for more advanced students.

Select students @ level 4 and above may register for

* **Super Achievers**

Many will be receiving their second year Super Achiever trophy!

Ask your teacher for more detailed information about levels and options.

Teachers will need to complete registrations by October 14th,
so be sure to RSVP soon.

Achievement Day fee is \$30.00 per student, or \$35.00 for **Super Achievers**.

** For those students wishing to challenge themselves even more, Super Achievers will be offered to those at level 4 and above. Requirements include two memorized pieces at an excellent standard of performance. As well, each must complete a number of specified options, pass a written theory test, and perform in a recital! A trophy is awarded to those who complete all of the two year requirements.*

AMTA teachers look forward to seeing you there!

Sincerely,

SUSAN LEAVITT, AMTA ACHIEVEMENT DAY CHAIR
